SUMIT KUMAR

Bihar Sharif, Bihar, India | +91 6203123722 | sumitsatyajeet@gmail.com

As a dedicated Electrical and Electronics Engineering graduate, I possess a solid foundation in core subjects and practical internship experience. I am eager to expand my technical skills and apply my knowledge to innovative projects that aim at enhancing technology and efficiency. My recent projects reflect my commitment to applying engineering principles to real-world challenges

SKILLS

Technical Skills	C/C++, MATLAB
Subject knowledge	Electrical Machine, Power System, Power Electronics etc.
Soft Skills	Communication, Teamwork, Problem Solving, Adaptability

EDUCATION

Bachelor of Technology (Electrical and Electronics) 2021 - 2025
Darbhanga College of Engineering, Darbhanga
CGPA: 7.22

Intermediate (CBSE) Apr, 2018 - Mar, 2020
Cambridge School, Silao
Score: 75.2%

Matriculation (CBSE) Apr, 2014 - Mar, 2018
Tirthankar Mahaveer Vidya Mandir, Pawapuri
Score: 88.2%

EXPERIENCE

Electronics Circuits and System Design Intern Nov, 2024 - Jan, 2025
NIELIT (National Institute of Electronics and Information Technology) | Remote, India

- Worked on the design and analysis of electronic circuits and systems
- Gained practical experience in electronics during the internship

PROJECTS

MATLAB Simulation of three phase Power System Fault and its Analysis

A Project focused on analyzing faults in power systems to improve reliability and safety

- Conducted MATLAB simulations to analyze power system faults
- Determined voltages and currents during fault conditions

Smart Public Lighting System

Created a system to automate public lighting, improving energy management

- Designed a automated lighting system that adjusts based on environmental conditions
- Integrated Arduino to manage light levels dynamically

COURSES & CERTIFICATION

TCS iON Learning Hub	TCS iON Career Edge - Young Professional	
NPTEL	Soft Skill Development	66%
	Speaking Effectively	71%
